SCHEDULING EXAMS

- Answer the phone by 2nd ring (polite, professional, accommodating demeanor with a smile)

“Thank you for calling Valley Radiology, [provide your name] speaking, how may I help you today?”

“Please give me a few seconds to find your records in our system”

- Carefully review the order and any accompanying notes

“Before I can make your appointment, I need to ask you a few exam related questions”

OPENING QUESTIONS: - Use Questionnaire in M.I.

1. What is the best phone number that you can be reached?
2. What is your email address?
3. For Women, no DEXA Study if pregnant
4. Ask if any prior surgery on hip and lumbar spine

“Thank you for answering those questions, I now need to ask for your insurance information”

- Carefully input insurance information
- Proceed to book the exam

Scheduling tip 1: Be mindful of the patient’s insurance/authorization lead time and depending on whether we need to obtain outside images/reports, schedule the exam with enough days out to allow authorization staff to obtain the necessary authorization and to arrange to get the necessary images/reports.

Scheduling tip 2: Be aware where the open DEXA slots are in the system. Try to schedule DEXA exams back to back and try to avoid leaving gaps in the schedule in the MI-RIS. “Here is what I have available for you, [name the facility/city and appointment time], can I go ahead and book that appointment for you?”

- Proceed to review procedure preparation with patient
